The resignation of Dr. William B. Hudson, of Business High School, president of the Interscholastic Basketball League, is in the hands of the members of the league and is expected to take effect with the resignation of the Business man as physical director in the high schools.

In a letter to members of the circuit Dr. Hudson has called a meeting of the league for tomorrow, at which time he has asked Frank Newberry, of the Army and Navy Preps. to preside. A change in the schedule is necessary owing to the pure food exhibit which will take place at the Arcade next week. The Business High School coach is leaving the public schools to practice medicine and will give up his duties a the school and as coach of the Bush ness basketball team on the first of the month. It is expected that Paul White, successful coach of the Busi ness football and baseball teams, wil take over the coaching job of basket

It is not improbable that the Interscholastic Basketball League will refuse to accept for. Hudson's resignation as head of the circuit. It is know, that a continuance in office is desire among league members and it may be that Dr. Hudson can be prevailed upof to remain. The Business High coach has been prominently identified with ath letics in the District for a number of years. He has come to be known as the father of schoolboy basactball her as he founded and kept going the In terscholastic circuit during the past six

Basketball in scholastic ranks has been placed on a high plane owing to the inducace of Or. Hudson. It is in timated that his interest will be con tinued and that his spare time will be devoted to the sport.
